

Dear Holiday Mile Racers,

The Coral Springs Holiday Mile is a city-sponsored event. After much deliberation with city officials and emergency personnel, to protect the safety of everyone involved, the decision was made to cancel the December 13, 2023 Parade and Coral Springs Holiday mile. The inclement weather in the forecast for the next few days has the potential to bring rainfall, thunder and lightning.

While we may not be able to run together in person, please run the race virtually and send in your garmin results or a picture to [inthezoneevents@gmail.com](mailto:inthezoneevents@gmail.com) no later than Dec 20<sup>th</sup> so we can compute age group results. If you have not picked up your t-shirt, we will be providing a time and location for pick up. Stay tuned.

This will not impact team awards. The largest team and the largest school team with the most registered on a team as of 6:10pm today December 13, 2023 will receive their award. The fastest team will be considered by the top 5 minimum registered on a team.

We are saddened to miss this run as it has become a tradition and a kick off for the Coral Springs Holiday Parade for the last 11 years.

Thank you for your patience in this matter.
